

DHARINEESH V

B.Tech IT Student | SOC / Blue Team Enthusiast | CEH Certified

dharineesh410@gmail.com | +91 7305656975 | Karur, Tamil Nadu

EDUCATION

V.S.B Engineering College, Karur

2025 – 2029

Bachelor of Technology – Information Technology | 2nd Year

CERTIFICATION

CEH – Certified Ethical Hacker

Cappriciosec University

INTERNSHIP EXPERIENCE

Cybersecurity Intern — NextSkill Technologies, Coimbatore

15-Day Programme

- Gained hands-on exposure to SOC workflows and security monitoring tools.
- Assisted in log analysis, threat detection and incident response practices.
- Studied network traffic analysis and blue-team defensive methodologies.

TECHNICAL SKILLS

SOC & Monitoring:

SIEM Basics

Log Analysis

Incident Response

Networking:

TCP/IP

Wireshark

Firewalls

IDS/IPS

Operating Systems:

Linux (Kali)

Windows Server

Programming:

Python (Scripting)

Bash

Security Concepts:

Vulnerability Assessment

OWASP Top 10

Threat Intel

ACHIEVEMENTS & ACTIVITIES

- Participated in Smart India Hackathon (SIH) – national-level government innovation challenge.
- Completed 15-day cybersecurity internship focusing on SOC / Blue Team operations.
- Actively building skills in threat hunting and defensive security techniques.

CAREER OBJECTIVE

Motivated second-year IT student with a CEH certification and practical internship experience, seeking to contribute to SOC and Blue Team operations. Passionate about threat detection, log analysis, and building robust defensive security postures.
